

Citation Sovereign+

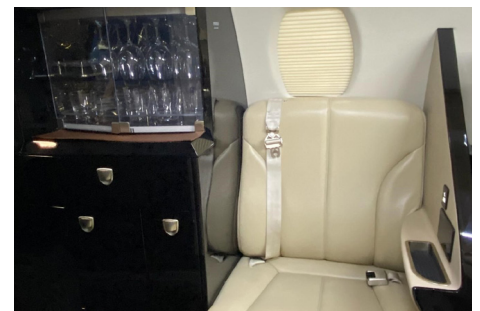

SUPER-MID JET

Access to airports throughout North, Central, South America, Europe and the Caribbean

An elevated flight experience through agile performance and an intuitive, on-board environment.

With its class-leading runway performance, extensive range and impressive baggage capacity, the Citation Sovereign+ will get you closer to your final destination, with fewer limitations. Complimentary, in-flight WiFi will keep you connected; a spacious cabin with adjustable seating will keep you comfortable; and a wireless cabin management system will put you in control along the way.
